## **News Letter May to August 2022**

Dear Parents,

Season's greetings!

Hope this newsletter finds you in great cheer as things have returned to normalcy! The school campus resonates the laughter and screams of children turning it livelier.

**“To be in your children’s memories tomorrow, you have to be in their lives today”**

The academic year 2022-23 commenced from June 1<sup>st</sup> for Pre-Primary students. It was a joyous moment to see the young kids come to school after two long years. Various hands-on activities were conducted involving children to create a **comfort zone** for them at school. Children participated in all the celebrations. They actively took part in Guru Vandana, Independence Day and Raksha Bandhan celebrations. Parents and grandparents supported them in events like "Sing along session" and "Grand Parents Day".

It was amazing to see that by the end of the term, the children were able to chant shlokas, spell words with phonics and play with numbers. Apart from this, they also mastered narrating a story, pick and speak and colouring too. **M.Thiru Tanvi** of LKG and **Tuvikh Suthar** of UKG were appreciated for their regularity during this term.(June to September)

## Classes I to X

Summer classes were conducted for classes V to X, for two weeks during the holidays to assist the children with average performance in the promotional exam.

To bridge the learning gaps, the academic year began on May 16<sup>th</sup>, two weeks earlier than the usual. The bridge course that was conducted helped the students in the reinforcement of the concepts learned.

We can't deny the fact that it was a Herculean task for the teachers to get the students on the mode of learning through regular schooling where they are expected to sit through the classes the whole day, with Games/Art/ Craft/ Compute Science classes which they yearn for.

We are proud to announce the outstanding performance of our students in SSLC Examinations 2021-22.

The June and July months took off smoothly as the students were acquainted with the child-centric methods advocated by our enthusiastic and dedicated teachers. The Academy for Creative Teaching plays a vital role in empowering our staff to train our students in acquiring 21<sup>st</sup> century skills like collaboration and teamwork, creativity and imagination, critical thinking, problem solving etc.

The Formative Assessments reveal the comprehension level of the students. Auto correction of books, Buddy system, Interdisciplinary activities etc. have helped them to perform better in the tests.

In the last few months, multiple events were well planned and successfully executed.

- Parent Orientation
- Environment Day
- Student Council Election
- Father's Day
- International Yoga Day
- Vaccination Drive
- Doctors Day
- World Population Day
- Guru Purnima
- Kargil Vijay Diwas
- Investiture Ceremony
- Sing Along Session
- PTM & Book Fair
- Bonding of Togetherness : Raksha Bandhan
- Independence Day
- Krishna Janmashtami
