## News Letter September & October 2022

### From the Principal's Desk

**Shine like sparkles, glow like candles and burn all the negativity like crackers.**

Dear parent,

Hope you compliment the creation of our first edition of the newsletter in the month of August 2022 and encourage us in this endeavor.

We are extremely pleased to release the next issue to provide you a bird's eye view of the events like:-

- Interview with Dr. Gururaj Karajagi - Chairman ACT and his team at the Academy for creative teaching.
- Celebrations – Hindi Diwas, Engineers Day, Gandhi Jayanthi and Deepavali.
- Formative assessment
- PTM and Learning Stalls.

The uniqueness of this edition is that the complete task of presentation has been designed and executed by the Student Council of Prasiddhi, in coordination with the teaching faculty from the Newsletter committee. Wish you a cheerful and safe eco-friendly Deepavali!

Month of September was very much filled with celebrations and learnings too. Teacher's day was celebrated on the occasion of Dr. Sarvepalli Radhakrishnan's birthday. Children celebrated Grandparent's day on September 10<sup>th</sup> with more enthusiasm. It was a memorable event for both children and their grandparents. First assessment was conducted from September 5<sup>th</sup> to 9<sup>th</sup>. As always children actively participated on Literacy Day and the Pre Navaratri festival celebrations.

## A message to the parents

A warm greeting on behalf of the Student Council of Prasiddhi.

It is an absolute delight and honour to bring to you the second edition of the newsletter, crafted and created entirely by the Student Council of Prasiddhi. I would like to thank everyone who supported and made the first newsletter a great success, motivating us to take the next step. We are proud to bring to you this newsletter which focuses on the months of September and October. Various activities were conducted and various accomplishments have been achieved, which have been listed. We would like to share all these with you via this Newsletter. It includes the Pre-primary, Primary, and High school activities. We have thoroughly enjoyed the process of bringing this Newsletter to you and sincerely hope you enjoy reading it. Let our hearts swell with pride to be a part of this wonderful family of Prasiddhi.

## Unforgettable moments with Dr. Karajagi and the ACT team

and Governmental committees.

Dr. Gururaj Karajagi is the Director of Academy for Creative Teaching, Bengaluru. He is a doctoral degree holder in Chemistry from Karnataka University and has published over 22 research papers in International journals. He has served as a member of several prestigious Educational

Academy for Creative Teaching (ACT) Trust, formed in 2013, is a not-for-profit organization working for teachers, students and institution development. Deep rooted in the values of Indian culture and heritage, ACT TRUST is built, managed and developed predominantly by teachers with a strong focus on the overall development of students. It is a pioneering body that has consistently been instrumental in providing pre-service and in-service training to teachers at all levels and also in providing institution-building support from visioning of institutions to academically and administratively hand holding them. ACT Trust has also undertaken quality audits of schools and organizations and carried out academic interventions across private and government schools. Our heartfelt gratitude to Ms. Chetana, our School Success Facilitator for her coordination and support as well as providing this memorable opportunity to us.

Students of grade 9 and 10 had paid a visit to the Academy for Creative Teaching. We had been given the opportunity to interview the team of ACT on 1<sup>st</sup> September 2022 including the head Dr.Gururaj Karjagi. The interview threw light upon National Education Policy, how the ACT functions as well as the common difficulties faced by students and their solution. We learned a few traits from DR Karajagi like patience, time management, trusting others etc. It was enlightening for all of us.

## Teachers` Day

Teachers` day was celebrated on 5th September, Monday. Students put in a lot of efforts to make the day special for their wonderful teachers.

It started with a student dressed up as Dr. Sarvapalli Radhakrishnan to educate us about Teacher's day and students gave a brief note about their amazing teachers. A song was sung which enchanted everyone present there. There were frenetic dances performed by the students, skit and a slam poem in appreciation of the teachers. Games were organized and the winners were awarded. Students expressed their love and thanked them for their constant support and guidance.

## Hindi Diwas

HINDI DIWAS was celebrated on 14<sup>th</sup> September to signify the importance of our national language HINDI. Hindi being the national language must be given importance and every Indian must try to learn the language. A special assembly was

conducted in which the students, to glorify the language, performed a skit, dance, read poems and shayri in Hindi.

## Engineer's Day

Engineer's are in a position to not just study the world, but to change it. Engineer's day is celebrated annually in commemoration of the marvellous engineer, Sir.M.Visvesvaraya, the first engineer of India. It is celebrated on 15th September, which also happens to be his birthday.

On account of observing Engineer's day, we had the following activities:

Speech on the life of Sir. M.Visvesvaraya, facts about ancient engineering marvels of India and engineers Quiz, Robot dance, Poem, Skit, etc. We also had a display of models by students of various classes.

## Parent Teachers Meeting - II

**“Together may we give our children the roots to grow and the wings to fly”**

The II Parent Teachers Meeting was held on 17th September 2022. Its motive was to have a close interaction of parents with teachers with regard to the progress shown by their wards and finding workable solutions to the problems coming in the way of development of their ward. It was mandatory for all the parents to attend the parent-teachers meeting. Parent teachers meetings are the way to make a difference in the child's education as it enables to bring new positive changes in the attitude of a child to focus on their priority. The role of both teacher and parents are mutually clear, specified and designed in such a way that it brings the best in the student's performance.

## Navaratri and Dussehra Celebration

Navaratri was celebrated on 23<sup>rd</sup> September. To celebrate this occasion, the Pre-Primary students had dressed up and spoke about the significance of Navratri. Students had performed a graceful dance and at the end everyone joined and danced together to celebrate the occasion of Navratri.

Dussehra too was celebrated on September 23<sup>rd</sup>. The celebrations in India represent the victory of good over evil. The Royal dolls were displayed and all the students had an opportunity to know our culture.

## Literacy Day

International Literacy Day was celebrated on 8<sup>th</sup> of September 2022, to mark the significance of learning and education. The theme of literacy day this year was TRANSFORMING LITERACY LEARNING SPACES. Students were encouraged to indulge themselves in

learning about the importance of education and spread the message. Awareness about the ill effects of illiteracy was spread to help students develop their responsibility of outspreading knowledge.

## Grandparents` Day

Grandparent's day was celebrated on 10<sup>th</sup> September 2022 at our school premises. We were glad to see the grandparents actively participating in all the games. The grandparents were enthusiastic and excited. All of them were sharing their beautiful and interesting experiences with their

grandchildren. Everyone were chanting shlokas and dancing. Everyone were very happy and enjoyed a lot.

# Gandhi Jayanti Celebration

Gandhi Jayanti is celebrated on 2nd October every year. We celebrate this for remembrance of Mahatma Gandhiji. Mohandas Karamchand Gandhi was a freedom fighter who fought till the last minute for our freedom. We got freedom on 15 August 1947 but we lost the gem-Gandhiji the next year in 1948. Two million people joined the five mile long funeral procession which

took over five hours to reach Raj Ghat in Delhi.

# Pre Deepavali Celebration

“The greatness of a culture can be found in its festival” Pre Deepavali celebrations were observed in the last week of October 2022. The celebrations began with the speeches delivered by the Pre-Primary students to create an awareness to stop polluting the environment and to celebrate an eco-friendly Deepavali.

The Lower Primary students displayed a skit, sang, dressed up as Ram, Sita and Lakshman, danced and notified the history behind celebrating Deepavali. The High School students also presented a skit on child labour primarily because of the manufacture of crackers during Deepavali and secondarily because of the ill-effects and accidents prominent during Deepavali and on the importance of celebrating an eco-friendly Deepavali. It was followed by a campaign carried out by the students belonging to grades 6-10, where they distributed handouts, displayed charts, urged and brought awareness about not bursting crackers among people and to celebrate an eco-friendly Deepavali.

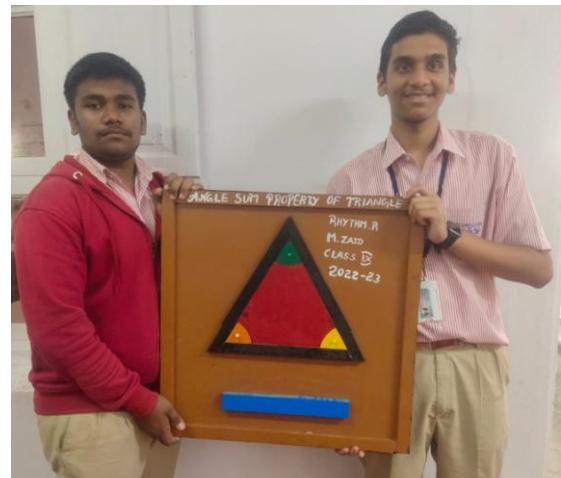

# Parent Teachers Meeting – III & Learning Stalls

Learning stall for grade I to X was arranged on 29.10.2022 along with III PTM. Students displayed interdisciplinary activities and related charts designed by them during their learning sessions. Interdisciplinary experiments like adulteration tests, water testing tests etc. were well demonstrated by students. A lot of appreciation was received from parents for the same. It was a successful event.

# Maths Lab

Rhythm R and Mohammad Zaid Tanveer of IX Std. have presented angle sum property of Triangle for Prasiddhi Maths Lab.

In order to bring an overall development in children, utmost importance is given to Class room and sports activities at Prasiddhi.
