### Zenith Volleyball Fest

The sports fest, Zenith, was held on the 30th of October 2025. We had invited many schools to participate, and a total of ten teams, including ours, took part in the event. Ms. Sneha Reddy, emerging National Volleyball player was present in the midst of young school teams to encourage them.

The day began with great enthusiasm among all our school students. The first match was the girls' match, where our team played against Chitrakoota and put up a good fight but unfortunately lost the game. The next match was between Chitrakoota Kousalya and Colonel School. Both the Chitrakoota teams made it to the finals. The

girls' final match was very exciting, and after a tough competition, Chitrakoota Kousalya emerged as the winner.

Following the girls' matches, the boys' matches were held. Our school boys' team performed brilliantly and reached the finals against Aditi Public School. The final match was full of thrill and excitement, and everyone enjoyed watching it.

Although Aditi Public School won the match, our boys played with great team spirit and determination.
