Affiliated to ICSE, NEW DELHI (Reg. No: KA535)

Managed by Sree Sharadamba Trust ®

Bangalore Palace Compound, Vasanthanagar, Bangalore – 560052.

From the Principal's Desk

“Education is not the learning of facts, but the training of the mind to think”

- Albert Einstein

Dear Parents,

Wishes from Prasiddhi !

The academic year commenced from May 26th 2026 for the students. The year started with remedial classes to refresh the contents studied in the previous year. The co-curricular and cultural programs started with Bicycle Day and Environment Day. The Orientation Program was conducted for the parents to keep them updated with our plans and actions. It started with happy note as it was to share and care each other for the children's all-round development. The all-round development of the students has improved by conducting Club activities on Saturdays. Many competitions including art, cookery, science and literary competitions were held. Winners and participants received certificates.

Leaders are not born; leaders are made. Student elections were conducted in the true democratic sense. The Investiture Ceremony was held for the elected leaders to administer the oath of office. Celebrations were organized on Guru Purnima, International Yoga Day, Biofuel Day and Librarian's Day. We celebrated the Independence Day with full fervour and patriotism.

Our students participated in National level short film competition and won appreciation for their efforts.

A New Milestone – ICSE Affiliation

Prasiddhi School is proud to announce its transition to the ICSE curriculum from 2026, marking an important new chapter in the school's journey. The curriculum will provide students with opportunities to develop critical thinking, communication skills, and a broader approach to learning.

This milestone opens new horizons for our students and brings exciting opportunities for families in and around the area. With its peaceful, green campus nestled within the Bangalore Palace Compound, Prasiddhi School continues to provide a nurturing environment where young minds can learn, grow, and flourish.

The school looks forward to embarking on this new journey with renewed enthusiasm and commitment.

Events and Celebrations

First Day of School:

Prasiddhi School warmly welcomed the students to the new academic year with enthusiasm and excitement. The first day marked the beginning of a journey filled with learning, discovery, growth, and new experiences. From our little learners to senior students, the campus came alive with cheerful smiles and renewed aspirations. We wish all our students a joyful, enriching, and successful year ahead.

World Environment Day:

Prasiddhi School celebrated World Environment Day on 5th June 2026 with great enthusiasm and a strong commitment towards environmental conservation. The programme aimed to create awareness among students about the importance of protecting and preserving our natural surroundings. The day began with a special morning assembly where students were enlightened about the significance of World Environment Day and the need to adopt eco-friendly practices in their daily lives.

The assembly featured various activities, including a thought for the day and an environmental pledge, through which students pledged to protect the environment and promote sustainable living. A thought-provoking skit was also presented by the students, highlighting the ill effects of war on nature and demonstrating how human conflicts can lead to environmental destruction, loss

of biodiversity, and ecological imbalance.

As a symbol of nurturing nature, saplings were presented by students to the

school and encouraging them to take responsibility for caring for plants and contributing to a greener future.

The programme

successfully inspired students to become environmentally conscious citizens and reinforced the message that every individual has a vital role in safeguarding the planet. The celebration concluded with a renewed commitment to work towards a cleaner, greener, and healthier world.

“Together, let us nurture nature and build a sustainable future for generations to come.”

Orientation Program:

Prasiddhi School conducted a Parent Orientation Programme for the academic year 2026–27.

Parents were briefed about academic expectations and school policies. Information regarding textbooks, uniforms, attendance, and

transportation facilities was shared. The school emphasized the importance of effective communication between parents and teachers. Various opportunities available through Olympiads, club activities, and co-curricular programmes

were also highlighted. The orientation reflected the school's commitment to the holistic development of every child. Parents appreciated the school's academic achievements and student-centred approach.

World Bicycle Day:

Prasiddhi School observed Bicycle Day through an awareness programme conducted in association with the Police Department. Senior students actively participated in activities promoting road safety and responsible cycling

practices. The programme highlighted the importance of fuel conservation and environmentally friendly transportation. Students were encouraged to adopt sustainable habits and

follow traffic rules. The initiative helped create awareness about the benefits of cycling for both personal health and the environment. The event concluded with a message to work towards a safer and greener future.

International Yoga Day:

Prasiddhi School celebrated International Yoga Day with great enthusiasm. Ms. Preeta, a trained yoga teacher from the Art of Living, visited the school and conducted a special yoga session for the students. She demonstrated various yoga asanas and explained their benefits for physical and mental well-being. Students actively participated and learned techniques to improve concentration, focus, and discipline. The session highlighted the importance of incorporating yoga into daily life. The programme encouraged students to adopt healthy habits and work towards holistic development.

Father's Day:

“A father’s love leaves an everlasting imprint on his child’s heart, guiding and comforting them throughout life.”

A heartwarming Father’s Day celebration was held by the KG children on 22nd June

2026. The event was filled with love, joy, and appreciation as the children expressed their gratitude to their fathers through delightful performances and thoughtful activities, making the day truly memorable.

The kindergartners presented a special dance performance accompanied by personalized captions dedicated to their fathers. Heartfelt messages such as “My Papa is my superhero” and “Thank you for helping me, Papa” beautifully expressed their love, gratitude, and admiration. The touching performance filled the celebration with joy and created cherished memories for everyone present.

A handcrafted Father’s Day card was sent home with each child as a heartfelt token of love and appreciation, serving as a beautiful tribute to their father.

Investiture Ceremony:

Prasiddhi school successfully conducted the Investiture Ceremony on 4-7-26 celebrating the spirit of leadership and responsibility. The newly elected School Council members were formally invested with badges and sashes and took the oath to

serve the school with sincerity and dedication. The ceremony was a proud and inspiring occasion, marking the beginning of their journey as young leaders committed to upholding the values and traditions of the school.

Health Check-up Camp:

On 7th July, Prasiddhi School, in collaboration with Santosh Hospital, organized a comprehensive health check-up camp for 275 students from Nursery to Grade X. The programme included general health assessments such as height, weight, oral health, and overall physical examination.

An ophthalmologist (eye specialist) conducted detailed eye examinations to identify and address vision-related concerns at an early stage. The initiative aimed to promote preventive healthcare and create awareness about the importance of regular medical check-ups. Students actively participated in the camp, making it a successful and meaningful health initiative.

Prasiddhi School remains committed to ensuring the health, well-being, and holistic development of every child.

Red Day:

“Red is the colour of love, courage and joy.”

On Red Day (24.07.26), the kindergarteners arrived in a dazzling fiery red attire, which made them look confident and attractive, radiating pure delight all around.

The celebration included a Red-themed Rhymes Recitation and a Red Objects Parade followed by a short speech on red fruits and objects. It concluded with the Red Day Pledge, fostering positive values.

Independence Day:

Prasiddhi School celebrated the 80th Independence Day on August 15, 2026, with pride and patriotism. The programme began with the flag hoisting and the National Anthem. Students presented a disciplined March Past and Salute, showcasing confidence, coordination and leadership. Inspiring English and Kannada speeches highlighted the significance of independence and our responsibilities as citizens.

Students of Grades 3–5 presented a Drill, followed by an energetic Aerobics performance by Grades 6–10. The cultural programme featured a powerful Mime paying tribute to the Indian Armed Forces, followed by a vibrant patriotic dance. The celebration concluded with the Principal's Address and Vote of Thanks, appreciating the Management, teachers, staff and students for making the event memorable.

Parents shared their views about the Independence Day celebration and appreciated the wonderful involvement and efforts of the students, teachers, and Principal in making the event a memorable one.

Krishna Janmashtami:

Krishna Janmashtami was celebrated at Prasiddhi with great enthusiasm and joy.

Our adorable Pre-KG children looked absolutely delightful dressed as Radha and

Krishna, spreading happiness and adding a beautiful festive charm to the celebrations. A day filled with smiles, colours, devotion, and precious memories!

Teachers' Day:

We celebrated Teachers' Day with great enthusiasm. The students organized fun filled

games for teachers which were very well received. There were also dance performance by the middle school high school students and a

skit on "Malgudi Days" by the primary school students.

Special Assemblies:

Special assemblies were conducted to mark – Doctor's Day, No Plastic Day, World Population Day, World Youth Skills Day, The memorial day of Dr APJ Abdul Kalam, Varamahalkshmi Festival, Ganesh Chaturthi, Hindi Diwas, World Photography Day, Raksha Bhandan and Dussera Celebration.

National Level short film Competition:

Prasiddhi School took part in National level short film competition with the theme “**Happiness beyond Honour**” conducted by Val.Ed. The story “**Manasu**” written and directed by principal Mrs. Radha Gurumurthy & team of two teachers Mrs. Anitha and Mrs. Teresa.

Yashitha, a student of of class 8 won “**best actress**” award .

The team got appreciation letters from Rajeev Khandelval (renowned film actor) and Nikhil Gonzalves (writer and director).

Prasiddhi School congratulates the entire team!!

Master-Chef Competition

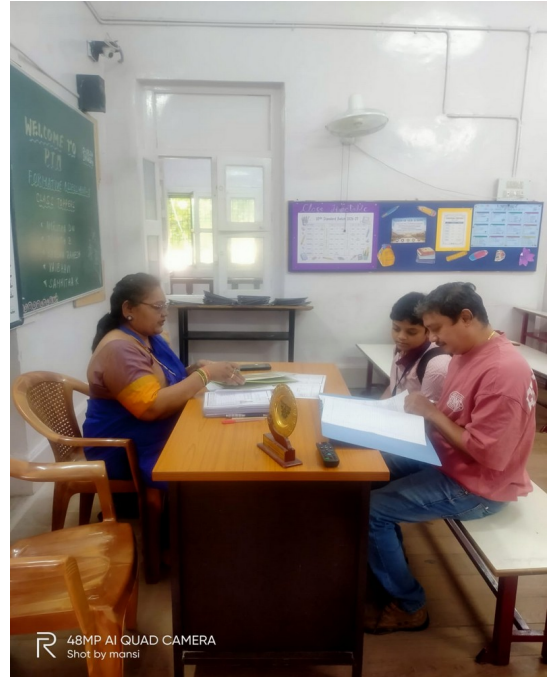

At Prasiddhi School, we believe in identifying and nurturing the unique talents of every child through a variety of activities. Every child matters, and every talent deserves an opportunity to shine!

Nabiha Thaskeen of Class 8 has won the Master Chef title in the school's Club Activity, Cooking Without Fire, conducted within the school premises.

Parent-teacher Meetings:

Two parent-teacher meetings of the academic year 2026-27 were conducted during the first term. The students' academic performance was discussed with the Parents, along with the areas for improvement.

Parents gave valuable feedback and suggestions on improving the effectiveness of the school and engaging more with parents.

Club Activities

At Prasiddhi, we have the following clubs.

- 1) Literary Club
- 2) Science Club
- 3) Arts Club
- 4) Math Club
- 5) Socially Useful Productive Work (SUPW) Club

During the first term, various activities like – colouring, drawing, pen stand making, eco-friendly paperback making, healthy food & my family, my hobby & helping others, our national flag & good manners, advantages & disadvantages of Artificial Intelligence, balancing screen time & outdoor activities, essay competition, story and

reading competition, greeting card making and cooking without fire organized.

Sports Activities

Our students participated in cluster level competitions and won in many events.

Other Competitions

Our students participated in the Colouring Competition organized by Maruti Arts Academy.

Myreen Nabeel received the Gold Medal in GEMA International Student Competition 2025.

Vansha Nahar received the participation certification for International Storytelling Competition.

Our students participated in Vagdevi Inter-School Cultural Fest.
